

Falls City Newsletter

“Addressing the needs of the community and planting the seeds for a secure future.”

1. New “City Projects” tab on City Website.

City Leadership is trying hard to keep everyone informed as to the goings on here in City Hall, and in the Community at large. The City recently hosted a Wastewater Project Town Hall and the community was loud and clear that they felt uninformed. While the City has broadcasted updates at every City Council meeting, multiple times in the City Newsletter, and in several locations on our website, for over a year, there’s always more that can be done with resources permitting. As such, the City has created the “City Projects” tab on the www.fallscityoregon.gov homepage to ease access to project information and updates.

2. The City can now take Credit Cards!

Simply click the “Utilities” button at the top of our webpage www.fallscityoregon.gov, and the system will walk you through the rest. Call or stop by City Hall if you’re having troubles (503) 787-3631; 299 Mill St., Falls City, OR 97344.

*Note: Fees for this service are the greater of \$2.50, or 3% of the payment. The service fee is charged by the third party billing platform provider and the City receives no money or benefit from it.

3. Falls City has a new City Councilor!

Please join City Staff in welcoming new City Councilor, David Radke, to the City’s leadership. At the June 10, 2019 City Council Meeting, the Falls City Council voted to appoint David to fill the position vacated by Charlie Flynn’s resignation. David brings to the fray a great deal of business acumen, and a desire to guide Falls City as it moves into the future.

4. SCAG Paving Project Award & ROAD CONSTRUCTION!

The City has awarded a \$131,600 paving contract to North Santiam Paving Co. to overlay:

- Fair Oaks St. from Wood to Ellis;
- Boundary St. from Prospect to Fair Oaks;
- 5th St. from Mitchell to Fair Oaks.

Project Notices were posted for the week of June 24, 2019, but unfortunately weather did not comply. Look forward to seeing these folks out there paving in the very near future.

5. Falls City Steering Committee Selected, A BIG STEP FORWARD!

Falls City’s Community Visioning and Economic Resiliency Planning continues to progress at an encouraging pace. A steering committee of 8-10 Falls City and surrounding area residents has emerged and begun taking the lead in keeping this process moving. The Committee meets at least twice per month and is in the process of creating action plans to address the greatest concerns/desires identified at the Visioning Meetings in May and June, to which all persons were invited to participate.

COMMUNITY EVENTS:

3rd Annual Summer Celebration, July 6, 2019!

Join us for our 3rd annual "Summer Celebration" PARADE & LUNCH in the lower park. This is a community event and everyone is welcome to attend. The Boondocks will be donating burgers/hotdogs, and the Mayor will be cooking it up! Fun games for the kids, music for the ears and an overall good time for everyone.

Event Hours: 12pm-5pm

Event Location: Lower Park

PARADE Time/Location: 12pm/N. Main St.

The City is Chalk-Full of Volunteer Opportunities!

If you have an interest in helping out on one or more of several City Projects, Committees, or General Beautification, please contact City Hall.
