ADDRESSING THE NEEDS OF THE COMMUNITY AND PLANTING THE
SEEDS FOR A SECURE FUTURE.

FALLS CITY REPORT

Exciting May events in Falls City!

May 25-26, 2019: Each year the City hosts the City-Wide garage sale where citizens can sign-up and the City creates a list of garage sale sites for potential buyers.

May 26, 2019: A group of citizens will pitch the "Let Freedom Ring!" Memorial Day Weekend event to the City Council on May 1, 2019. If sanctioned by the Council the event would recognize our Veteran's and provide a good time for our Community. If approved the event will feature a parade, block party, brunch, live music, and vendors.

Fill Dirt, first come first served!

Public Works has some extra fill dirt, free of charge, for interested citizens (you'll need to pick it up). The dirt is not top-soil grade, but is great for fill. Just contact City Hall at (503) 787-3631, or come on by if you are interested.

Community Visioning: Community Action Planning meeting.

Most of you know that the community has been actively engaged in a Falls City Visioning and Action Planning process with Rural Development Initiatives. The third community meeting, which will focus on identifying projects and developing action plans, will be held on Saturday June 1, 2019. Time and location are being decided, but mark your calendars!

Spring Clean!

The annual Spring Clean will take place on Saturday June 1, 2019. There are some new requirements this year, so please take the time to stop by and pick up an informational flier, or visit the "Upcoming Events" button on the City's website at fallscityoregon.gov.

Volunteers Needed!!!

The Community Needs Your Help and Support to Flourish! Please consider volunteering for one or more of the following events:

Saturday, May 11th, 2019: Cemetery Savers Lower Cemetery restoration project presentation by Lloyd Collins, at **6:00 pm** in the Community Center. Everyone is invited to attend and project volunteers are needed. Light refreshments will be provided.

Let Freedom Ring!, May 26, 2019 (if approved): The entire event takes place from 10:00am-5:00pm. Volunteers are needed for coordination, parade direction, road closures, set-up, and clean-up.

Spring Clean Saturday June 1st, 2019: at the Old Mill Lot from 8:00am to 2:00pm. Lineup will be different this year in order to streamline the process and signage will be posted. No loads allowed getting in line after 1:00 pm. Please bring proof of Falls City address. This may be ODL, Republic Services bill, utility bill, etc.

DEQ SEP Project Completed!

Back in September, the City was fined by DEQ for violation of some wastewater reporting requirements. The City monitored all inputs correctly, but did not report a very small percentage of them from 2016-2018. As part of the settlement with DEQ, the City proposed to use some of the fine money to clean-up the riparian zone near the Downtown Falls.

City Staff is proud to report that the project was a success, and has been completed. This marks successful mitigation of \$2,800 in fines, and removal of garbage and non-native plant life in the riparian zone.
